Dessert Wines

Doce Dessert Wine

We wanted to honor the Portuguese tradition of making Port by using the Portuguese word for sweet. We use Syrah grapes, topped with Cabernet Sauvignon and fortify the wine with Idaho grape brandy. This silky wine has an enticing aroma of plum jam and almonds. A deep ruby color with warm flavors of honey, vanilla, and cinnamon make this wine a perfect after dinner wine.

- *We recommend serving this with German Chocolate cake, roasted wine walnuts, Stilton or Gorgonzola cheese, dark chocolate or cherry tarts.*

2012 Late Harvest Viognier

Our Late Harvest Viognier is a delightful dessert wine with an array of tropical fruit flavors of mango and grapefruit. The experience is enhanced with the aroma of cantaloupe. Best served chilled.

- *Winemakers note:* In an attempt to make an ice wine we left some of our Viognier grapes on the vine to gain more sugars. By the time we hit 31° brix the clusters were starting to drop and we decided to go for a “Late Harvest” instead. To keep the alcohol content low we used mild yeast that was packaged in a “tea bag” so that we could control fermentation. If the sugars got too low or the alcohol got too high we removed the yeast and started over.
- We recommend serving this dessert wine with grilled pineapple, poached peaches, angel food cake and light cheese cake.

2012 Late Harvest Riesling

Our Late Harvest Riesling is a delicious dessert wine with strong flavors of honey and a refreshing aroma of honeysuckle. Best served chilled.

- *Winemakers note:* Grapes were starting to shrivel like raisins and showed signs of botrytis. Fermentation in steel tanks using encapsulated yeast. By containing the yeast in a cheesecloth bag the winemaker can stop fermentation with the desired sugar content has been reached.
- We recommend serving this dessert wine with crème Brule, baklava and over ice cream.
