Key Individuals

First Vintage Released

2001

Vineyards Planted

Spring of 1998

Location

Williamson Vineyards is located at 19692 Williamson Lane, Caldwell, ID situated in the Snake River Valley Appellation.

Vineyards

Williamson Vineyards consists of 50 acres of wine grapes. Varieties grown: Cabernet Sauvignon, Syrah, Petite Syrah, Mourvedre, Sangiovese, Malbec, Viognier and Riesling.

Viticulture Philosophy

Williamson Vineyards planted our first grapes with the belief that the Snake River Valley terroir is capable of producing some amazing wines. Our viticulture philosophy is a combination of “new world” technology with “old world” tradition. Our primary goal is to “grow the wine” in the vineyard.

Our vineyard location and design maximizes the terroir and produces high quality wines. As firm believers in the importance of terroir, the Williamson family utilizes modern techniques to foster balance in alcohol, oak and fruit expression. The winery strives to create elegant wines that pair especially well with food – very much “old world” in the experience they deliver.

Annual Production

Approximately 1,500 cases

WILLIAMSON ORCHARDS & VINEYARDS

FACT SHEET

About Williamson Orchards & Vineyards

Williamson Orchards & Vineyards are located south of Caldwell, Idaho in the Snake River Valley AVA. Williamson Orchards & Vineyards is a fourth generation family owned and operated business. In addition to tree fruit farming we are a boutique winery. We grow seven different varietals of wine grapes with the mindset that good wine starts in the vineyards. Our goal is to create small lots of high quality estate wines at an affordable price point.

Tasting Room Hours

Wednesday – Sunday: 12 – 5pm
